Brittani Casiano

Hello! My name is Brittani Casiano. I am married to Raymond and have a rambunctious son named Atlas. You most likely have met Atlas with me in tow. Atlas and I go all around Trace helping when we can. I have a love for animals which persuade me to become a Certified Dog & Cat groomer. But I spend most my time being a stay at home mom. In my free time (LOL what free time?) I like to learn how to beautify anything. Which gets me into home projects, crafting and problem solving and thinking out of the box. I am an open book. I love meeting and greeting new people and assisting my fellow Trace neighbors. Which is why I think I would be a great fit for the board. Neighbors helping neighbors, Brittani
